I was sure — by now, —
I re - mem - ber when —
God, You would have — reached down
I stum-bled in — the wind.

— and wiped our tears — a - way, —
You heard my cry — to You, —
stepped in and saved
and raised me up —

— the day. — But once a - gain —
— a - gain. — But my strength is al - most gone.
How can I say, — “A - men,”
I car - ry on —

— and it's still rain - ing. }
if I can't find — You?
But as the thun - der rolls, I

bare - ly hear — Youwhis-per through the rain, —
“I'm with — you.”
And

as Your mer - cy falls, —
I raise my hands — and praise the God — who gives
and takes a - way. —
And I'll praise You in — this storm,
