Sometimes I fall
to my knees and pray,

“Come, Jesus, come, let today be the day.”

Sometimes I feel
like I’m gonna break,

But I’m holding on to a hope that won’t fade.

Come, Jesus, come;
we've been waiting
so long

For the day You return
to heal ev'ry hurt
and right eve'ry wrong.

We need You right now;
come and turn this
around.

Deep down I know
this world isn't home,
come, Jesus, come.
Come, Jesus, come.

There’ll be no war
and there’ll be no
chains

When Jesus comes;
let today be the day.

He’ll come for the weak and the strong just the same,

and all will believe
in the pow’r of His
name.

Come, Jesus, come;
we've been waiting so
long

For the day You return
to heal ev'ry hurt
and right eve'ry wrong.

We need You right now;
come and turn this
around.

Deep down I know
this world isn't home,
come, Jesus, come.
Come, Jesus, come.

One day He'll come, and we'll stand face to face.

Come and lay it all down,
‘cause it might be today.

The time is right now; there's no need to wait.

Your past will be
washed
by rivers of grace.

Come, Jesus, come;
we've been waiting so
long

For the day You return
to heal ev'ry hurt
and right eve'ry wrong.

We need You right now;
come and turn this
around.

Deep down I know
this world isn't home,
come, Jesus, come.

Come, Jesus, come.
Come, Jesus, come.
Come, Jesus, come.
